BREAST CANCER

Emotional & practical support.

"Thank you so much for supporting Sweet Louise. Having stage 4 incurable breast cancer is hard enough, but add in the financial strain and it's sometimes too much. You help me put food on the table for my daughter and myself when times are tough. I am so glad I have Sweet Louise. I now have people at the end of the phone line who know how to help me and who care. Because of your support, they can help me when I need it most." Cheryl Carr

Thanks to you, Sweet Louise can provide the specialist care and compassion that women with incurable breast cancer need.

Funds raised through Sweet October events help provide the practical, emotional and financial support Kiwis with incurable breast cancer need, including:

- Specialised, personal, one-to-one care from a local Support Coordinator
- Face-to-face and online support groups, providing vital peer support
- Support with ready-made meals and home help
- Vouchers for self-care services such as massages and other well-being treatments
- Emergency support for when the hidden costs of cancer become too much, such as petrol costs to make it to hospital visits, to pay for GP visits, or to buy food for the family
- Family Time service, to enable families the chance to spend quality time together and create precious memories for families with young children.
